## **STUDENT CLOCK HOUR POLICY**

The State Board of Cosmetology will only recognize time clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period.

You will be given up to seven (7) minutes to clock in and receive credit for the quarter ( $\frac{1}{4}$ ) hour. This seven minute period applies to starting of the class day or returning from lunch. Once theory class starts no one will be allowed to enter theory classroom.

At the completion of the week, a new time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the next day's time card. The time card must be signed daily by the student and counter-signed the instructor.

Time cards reflect the students' daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster.

The time cards are the property of the school and must remain in the school at all times. After clocking in you are required to maintain applied effort. Personal grooming, leaving the building, reading material not related to your training or activity not related to your training are not tolerated. If this occurs you will be ask to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your suspension or termination.

### **TIME CARD CREDIT**

The following is a guideline for the instructor to issue credits.

1. Each theory must initial in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations are to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student.

Note: the following time frame the State Board gives for each operation:

Shampoo / set	= 1 $\frac{1}{2}$ hours
Scalp Treatment	= $\frac{1}{2}$ to 1 hour
Permanent Wave	= 2 to 2 $\frac{1}{2}$ hours
Facial	= 1 $\frac{1}{2}$ to 2 hours
Manicure	= $\frac{1}{2}$ hour
Hair cut	= $\frac{1}{2}$ to 1 hour

Using the above, the Board would understandably not consider a student capable of performing more than three permanent waves per day.

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hour per week ( $1/3 \times 30 = 20$ ). Maintain a cumulative attendance average of 67%

Regardless of the average level of attendance, students who have more than three consecutive weeks of absences, (21 class days) will be dismissed. This standard shall apply to all students except those on an approved Excused of Absence (see excused absence policy). Students who expect to be absent 7 or more days up to 21 days are encouraged to request an excused absence. An Excused Leave of Absence may extend the student's contract period and maximum time frame by the same number of days in the leave of absence. \*

4. Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint (50%) of the course to be considered as meeting satisfactory progress at the end of an evaluation period will be considered to be making satisfactory progress until the next evaluation.
5. Satisfactory Academic Progress for students with Excused Absence and/or Leave of Absence: SAP report date will be extended in order to accommodate the time the student was absent. The extension of time will be the same as the approved excused absence or leave of absence period. Students returning from an authorized Excused Absence will retain all credits, clock hours and work projects completed as well as SAP evaluations done previously. Students who re-enter the program within 24 months of withdrawal date will not lose any previous credits or state board hours or any SAP reports (see Re-Entry Policy pg. 29).

- The point at which 90% of the course is scheduled to be completed;
- The point of actual completion, or at which each additional 409 clock hours are scheduled to be completed, beyond graduation date.

Example: For the 1600 clock hour Cosmetology course, a student will be evaluated at the increments in which the students is scheduled to reach 400,800,1200, and 1440 clock hours, if applicable at the point of which the student is scheduled to reach an additional 500 clock hours beyond scheduled completion, or at actual completion.

Example: For the 600 clock hour Esthetician course, a student will be evaluated at the increments at which the student is scheduled to reach 150, 300, 450, and 540 clock hours.

Example for the 400 clock hour Manicurist course a student will be evaluated at the increments at which the student is schedule to reach 100, 200, 300 and 360 clock hours.

Special Note: The percentage of the course scheduled to be completed is defined according to the terms of the enrollment agreement. Example: A student enrolled at 100 hours per month would be scheduled to complete a 600 hour course in 6 months, a 400 hour course in 4 months and a 1600 hours course in 16 months, allowing no absences.

For example a student enrolled in a 40 week, 1600 clock hour program would be evaluated for SAP after the 10th week; the 20th week; the 30th week and the 36th week. These dates would correspond to the point at which the student was scheduled to have completed 400, 800, 1200, and 1440 clock hours

In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 400 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

## **ACADEMIC PROBATION:**

Students who fail to meet SAP standards during a given evaluation period will be placed on academic/or attendance probation for one additional evaluation period. Students remain eligible to receive aid during the probation period and will be considered as making SAP progress during the probationary period. Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic/and or Attendance Progress, will lose any remaining eligibility for student financial aid and may be terminated at the discretion of the institution. In the event such students are allowed to continue with instruction, aid eligibility will be reinstated only after the student has reestablished SAP in accordance with the attendance and grading standards indicated in STANDARDS 1, 2, 3 & 4 of this policy.

In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply.

Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation.

## **APPEAL PROCEDURES:**

Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within (5) days of termination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration. The administrator shall evaluate the appeal within a reasonable time frame (5-10) days and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision within a reasonable time frame (5-10 days). The decision of the committee shall be final. Students that prevails upon the appeal process, re-entering the program after an interruption of training, or having re-established satisfactory progress, and determined as making satisfactory progress will be re-entered in the course and financial aid funds will be reinstated to the student.

Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation, of reentry before financial aid will be retroactive for eligible students who have displayed satisfactory progress within the evaluation probationary period time frame.

**COURSE INCOMPLETENESS:** Course incompleteness, repetitions and non-credit remedial course are not applicable to this institution's form of instruction.

**EXCUSED ABSENCE POLICY:** Students may experience extended personal, medical or financial problems which make it difficult to attend class. The institution may allow a student under such circumstances to be excused (excused absence) from the program during that period of time. You must request the excused absence in writing and must be approved by the school Director. An Excused

Absence request form must be filled out and the date of leave and return must be stated on the form prior to the Director approving the excused absence. Do not request an Excused Absence unless you absolutely need one. Students on Excused Absence will be granted the same additional time to complete the program without additional fees. Students returning from an authorized Excused Absence will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the excuse absence. Students who fail to return from an excused absence will be considered dismissed as of the last class day of attendance prior to the start of the absence and the refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 30 days.

**ATTENDANCE STATUS:** Full time: Full time students are required to be enrolled to attend a minimum of 25 hours per week. Half time enrollment requires a minimum of 12 hours per week. Part-time enrollment is defined as more than 12 but less than 25 hours per week. Less than 12 hours per week is less than half time. Students must maintain a 67% attendance ratio to be considered making SAP on attendance.

### **GRADING SYSTEM**

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students at 25%, 50%, 75% and 90% of the course hours completed. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

100% - 90%	A - Superior Performance
89% - 80%	B - Above Average
79% - 70%	C - Average
69% - Below	D - Unsatisfactory

**BUYER'S RIGHT TO CANCEL  
CANCELLATION & REFUND POLICIES**

**Cancellation of Agreement:**

You have the right to cancel this agreement for a course of instruction offered in this agreement, without any penalty or obligation, if notice of cancellation is made prior to or until midnight of the first day of class, or the seventh day after enrollment, whichever is later. Students who withdraw after the cancellation period, up until 60% of the course completion, are entitled to a pro rata refund of tuition. . Cancellation shall occur when you give written notice of cancellation at the address of the School, 3834 Main Street Culver City, CA 90232, and to the attention of the School Director. Your notice of cancellation can be by mail, electronic mail, hand delivery, or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. If you cancel prior to or on the first day of class, or the seventh day after enrollment, which is later, your refund shall be one hundred percent (100%) of the amount paid for institutional charges, less registration fee not to exceed seventy five dollars (\$75), and less any kit supplies such as brooks, material and equipment issued and accepted by you. Note: Kit supplies are not returnable due to sanitary reasons. Therefore, once you accepted the kit supplies, the cost will be charged to your account. If you cancel this Agreement, The School will refund any money paid by you, less registration fee, kit supplies costs, and STRF (Student Tuition Recovery Fund) within 45 days after notice of cancellation is received by the School.

If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

If you obtained a loan to pay for an educational program, you will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

**Withdrawal from course:**

You have the right to withdraw for the course of instruction any time. If you withdraw for the course of instruction after the period allowed for cancellation of the agreement, which is until midnight of the first day of class, the School will remit a refund for the unused portion of the tuition fee less registration fee, not to exceed seventy five dollars (\$75), and less kit supplies issued to you. Students who withdraw after the cancellation period, up until sixty percent (60%) of course completion are entitled to a pro rata refund of tuition. The refund shall be calculated as follows:

- (1) Deduct a registration fee not to exceed seventy five dollars (\$75) from the total tuition charge.
- (2) Deduct kit supplies fee issued to student from this figure. Kit supplies fee shall not exceed the kit supplies fee stated in this Agreement.
- (3) Divide this figure ( net registration and kit fees) by the number of hours in the program
- (4) The quotient in the hourly charge for the program.
- (5) The amount owed by the student for the purposes of calculating a refund is delivered by multiplying the total hours expected to have reached according to Class Schedule commitment specified on page 1 of the Enrollment Agreement by the hourly charge of instruction plus the amount of registration and kit fee, plus any penalty fees for unexcused absences (if applicable).
- (6) The refund shall be any amount in excess of the figured delivered in the paragraph (5) that was paid by the student.

If a refund is owed to the student then the amount of the refund shall be made within 45 days after notice of withdrawal is received by the School.

**Hypothetical example of a refund calculation:**

Assume that a student enrolls in a 1600 hours course and pays \$3,800.00 for tuition, \$75.00 for registration and \$300.00 for equipment as specified in the enrollment agreement and withdraws after completing 600 hours with a perfect attendance record. The pro rata refund would be based on the calculation stated below:

Total amount paid to School by the student	\$ 4,175.00
1/ (-) less registration fee	--\$ 75.00
2/ (-) less equipment/kit fee	--\$ <u>300.00</u>
3/ Amount of tuition	\$ 3,800.00
Divide by the number of hours in the program	1,600
4/ Hourly charge for the program	\$ 2.375
5/ Amount owed to School by the student:	
Tuition (\$2.375x600) + registration + Equip/kit	\$ 1,800.00
6/ Amount of Pro rata refund to student:	
Total amount paid by student	\$ 4,175.00
Total amount owed to School	\$ <u>1,800.00</u>
Prorate amount refund	\$ 2,375.00
