Student's Right to Cancel **CANCELLATION & REFUND POLICIES**

Cancellation of Agreement:

You have the right to cancel this agreement for a course of instruction offered in this agreement, without any penalty or obligation, if notice of cancellation is made prior to or through the attendance at the first-class session, or the seventh day after enrollment, whichever is later. Students must exercise their right to cancel or withdraw in writing in order to be official. _____ (initial). Students who withdraw after the cancellation period, up to 60.1% of the course completion, are entitled to a pro-rata refund of tuition. No refund is available after 60.1% of course completion. Cancellation shall occur when you give written notice of cancellation at the address of the school, 3834 Main Street Culver City, CA 90232, and to the attention of the school Director. Your notice of cancellation can be by mail, electronic mail, hand delivery, or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with prepaid postage. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that you no longer wish to be bound by this Agreement. If you cancel prior to or on the first day of class, or the seventh day after enrollment, whichever is later, your refund shall be 100 percent (100%) of the amount paid for institutional charges, less registration fee not to exceed two hundred fifty dollars (\$250). If you cancel this Agreement, The School will refund any money paid by you, less registration fee, kit supplies costs, and STRF (Student Tuition Recovery Fund) within 45 days after notice of cancellation is received by the school.

If you have received federal student financial aid funds, you are entitled to a refund of money not paid from federal student financial aid program funds.

If you obtained a loan to pay for an educational program, you would have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Withdrawal from course:

You have the right to withdraw from the course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement, which is after the attendance of first day of class, the school will remit a refund for the unused portion of the tuition fee less registration fee, not to exceed two hundred fifty dollars (\$250), and less kit supplies and textbooks issued to you. Students who withdrew after the cancellation period, up until sixty point one percent (60.1%) of course completion are entitled to a pro-rata refund of tuition. No refund is available after 60.1% of course completion. The refund shall be calculated as follows:

- (1) Deduct a registration fee not to exceed two hundred fifty dollars (\$250) from the total tuition charge.
- (2) Deduct kit supplies fee issued to students from this figure. Kit supplies fee shall not exceed the kit supplies fee stated in this Agreement.
- (3) Divide this figure (net registration and kit fees) by the number of hours in the program
- (4) The quotient in the hourly charge for the program.
- (5) The amount owed by the student for the purpose of calculating a refund is delivered by multiplying the total hours expected to have reached according to the Class Schedule commitment specified on page 1 of the Enrollment Agreement by the hourly charge of instruction plus the amount of registration and kit fee, plus any penalty fees for unexcused absences (if applicable).
- (6) The refund shall be any amount in excess of the figured delivered in paragraph (5) that was paid by the student.

If a refund is owed to the student, then the amount of the refund shall be made within 45 days after notice of withdrawal is received by the school.

Hypothetical example of a refund calculation:

Assume that a student enrolls in a 1600 hour course and pays \$ 8,200.00 for tuition, \$ 75.00 for registration and \$ 700.00 for equipment as specified in the enrollment agreement and withdraws after completing 600 hours with a perfect attendance record. The pro rata refund would be based on the calculation stated below:

Total amount paid to School by the student	\$ 8,975.00
1/ (-) less registration fee	--\$ 75.00
2/ (-) less equipment/kit fee	--\$ 700.00
3/ Amount of tuition	\$ 8,200.00
Divide by the number of hours in the program	1,600
4/ Hourly charge for the program	\$ 5.125
5/ Amount owed to School by the student:	
Tuition (\$5.125x600) + registration + Equip/kit	\$ 3,850.00
6/ Amount of Pro rata refund to student:	
Total amount paid by student	\$ 8,975.00
Total amount owed to School	\$ 3,850.00
Prorate amount refund	\$ 5,125.00

STUDENT TUITION RECOVERY FUND (STRF):

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, (888) 370-7589 or (916) 574-8900.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. you were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution as to which the Bureau determined there was a significant decline in the quality of value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but has been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within for (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of no collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

DEFAULT:

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both the following may occur:

- The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and
- You may not be eligible for any other government financial assistance at another institution until the loan is repaid.

JOB PLACEMENT:

This institution does not guarantee placement to any student. However, job placement assistance is provided to graduates upon completion of training at no additional charge.
